ONE CENT.

LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notions" free any more than a merchant can give his customer free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

Magnificent Display of Clothing, Gents' Furnishings and Shoes is That of Hechinger & Co., the Odd-fellows Hall Clothiers.

Among the many elegant city-like business houses in our town that of Hechinger & Co. ranks among the A. 1. Nowhere will you find an establishment of its kind that carries a more elegant line of merchandise pertaining to their business than they do. With them you find Suits for Men, Boys and Children that are perfect gems in the art of ready-to-wear clothing. Their stock of Shirts, Hats, Ties, Collars, &c., is perfectly bewildering in the number of styles and fashions.

In Men's Fine Shoes the House Stands Pre-eminent.

Visitors in our city during this week, after looking at the display Hechinger & Co. make in their windows, will agree with us that their mammoth establishment would be an honor to cities many times larger than Maysville.

We can safely add that all visitors that call in at their store will be cleverly treated.

THE BEE HIVE.

A Car Load of Mattings

By far the largest single shipment of its kind that ever arrived in Maysville, reached us on Tuesday. They are all of best grade Chinese and Japanese make, and include the very latest and choicest designs, and all at prices that we would be a saving to you of at least 25 per cent. We've no space for detailed description. Suffice to say that prices range from 12c. to 30c. a yard. If you're in need of Mattings, and a prudent purchaser, see them.

Lace Curtains.

During the past week our Lace Curtain stock has been greatly replenished. We have them to please the most modest and fastidious tastes. At 45c. there is a Nottingham, 3 yards long, worth fully 65c. Our 8 1/2 Curtain, 34 yards long, is especially worthy. At 85 75 there is a Brussels Net, 3 1/2 yards long and 60 inches wide, of regular \$5.30 value. You can obtain valuable curtain knowledge by investigating our store.

Ducks and Dress Crash.

Our stock of these is immense, though we've sold heaps of 'em in the past fortnight. There is a high-grade Linton Crash at 10c.; something better at 12c., 15c., 18c. Figured Ducks and Ducks in solid colors at 10c., 12c., and 15c. A great line of Figures on Black, white, pink, navy and light blue at prices ranging from 15c. to 35c. These are all great values at small prices.

A Bargain Table Leader for this week will be a regular 12 1/2c. Organdie for 7 1/2c.

THE LEDGER'S SPRINGTIME JOYS AND SORROWS.

In the spring the brooklets babble sweetly onward to the sea; In the spring a joyful chorus Comes from every budding tree.

In the spring the frisky lambs Gaily gambol on the green; And a game of ball on every Lot that's vacant may be seen.

In the spring the plaintive tadpole Pipes his lonesome little lay; In the spring the busy bumblebees Buzz his croaker night and day.

In the spring the skies are bluer Than they are at other times; In the spring, too, everybody Takes a hand at making rhymes.

In the spring we have house cleaning Everywhere throughout the land; And we also have to listen To the little German band!

THE ODDFELLOWS.

Meeting of Grand Encampment Yesterday at Lexington.

WILL MEET HERE NEXT YEAR.

The Grand Encampment of the Independent Order of Oddfellows met in Lexington yesterday, Grand Patriarch C. A. Munkle of Bowling Green presiding.

The Grand Encampment of Oddfellows is a separate and distinct organization from that of the Subordinate Lodge, though of course it requires the passing through of the latter before entering the former.

The Grand Lodge of Kentucky Oddfellows was instituted in 1836, and the Grand Encampment two or three years afterward.

Among the prominent visitors at the Encampment was Hon. J. Frank Grant of Baltimore, Grand Secretary of the Sovereign Grand Lodge.

At the election of officers for the ensuing year the following were chosen: Grand Patriarch—Ambrose Bruner, Louisville.

Grand High Priest—R. L. Willis, Covington.

Grand Senior Warden—L. T. Rice, Lexington.

Grand Junior Warden—E. B. January, Paris.

Grand Scribe—R. G. Elliott, Lexington.

Grand Treasurer—George W. Morris, Louisville.

Grand Representative to Sovereign Grand Lodge—W. W. Morris, Louisville.

Maysville was chosen as the next place of meeting, and the date for same on the third Wednesday in May, 1899.

All the Maysville Delegates were favored with places on the different committees. Hon. W. H. Cox is Chairman of the Committee on Appeals.

Byron Rudy is a member of the State of the Order; Albert Huff, Election and Returns; J. C. Rains, Finance; H. C. Curran, Petitions; Allen A. Edmonds, By-Laws.

The meeting was very harmonious and great interest was manifested.

This branch of the Order is in a prosperous condition and constantly growing stronger.

It was stated by Past Grand Sire Durham that the Committee on the Widows and Orphans Home would probably make a selection in a day or two, as they had a number of favorable propositions before them, any one of which would make a suitable place.

WEDDED AT MT. OLIVET.

Lexington Young Man Wins One of Robertson's Fairest Daughters.

Tuesday morning at Mt. Olivet Mr. William H. Morrison of Lexington and Miss Adah Deming of that place were united in marriage.

The bridegroom is a son of Rev. W. A. Morrison of Nepton, and a most sterling young business man. He occupies a responsible position with the Lexington Roller Mills.

The bride is the only daughter of Judge O. S. Deming, well and favorably known in this city. She is a petite blonde, popular and accomplished.

The affair was a very pretty home wedding, the officiating Minister being Rev. Morrison, father of the groom.

Among those assisting in the ceremony were Miss Kate Evans of Georgetown, W. C. Deming of Warren, O., and Dr. W. S. Chandler of Mt. Olivet.

Mr. and Mrs. Morrison will reside in Lexington.

Circuit Judge Morrow rendered a decision in the Whitley Circuit Court, holding the Third Appellate District gerrymander law invalid. This decision, if affirmed by the Court of Appeals, would knock out several gerrymander acts passed by the late Legislature.

Many old soldiers now feel the effects of the hard service they endured during the war. Mr. Geo. S. Anderson, of Rossville, York county, Penn., who saw the hardest kind of service at the front, is now frequently troubled with rheumatism.

"I had a severe attack lately," he says, "and procured a bottle of Chamberlain's Pain Balm. It did so much good that I would like to know what you would charge me for one dozen bottles."

Mr. Anderson wanted it both for his own use and to supply it to his friends and neighbors, as every family should have a bottle of it in their home, not only for rheumatism, but lame back, sprains, swellings, cuts, bruises and burns, for which it is unequalled. For sale by J. Jas. Wood, Drugist.

Dainty and Artistic

From far-away Japan. There are 500 of the Fans. All of them are made and ornamented in the inimitable Japanese fashion.

Some bear figures of strange and fantastic birds and animals. On some beautiful chrysanthemums and cherry blossoms bloom almost as natural as life. Others again are decorated with men and women in the artistic garb of the Japanese. Each one of them is worth commercially as much again as our price—another trump for cash. Judged by the standard of art excellence as understood in America these fan prices are not one-least of true values. Just think of figures like these for really artistic and picturesque Fans!

It will be time enough to speculate as to what Uncle Sam will do with the Philippine Islands after the war is over. By that time he may have a whole lot more islands on hand, or even Spain itself. Keep your shirts on, gentlemen.

On all the telegrams we have received none have been misleading up to date with the exception of the one we printed Monday reporting that a naval battle had taken place at the Atlantic, resulting in the defeat of the Americans. We are happy to state that there was no truth in it whatever, though in a certain quarter there seems to be great disappointment that such an engagement did not take place with the result stated—Evening Bulletin.

The LEADER begs its contemporary to explain its meaning. If there is any "certain quarter" in Maysville, or anywhere else in this country, where there would be "great disappointment" because the United States fleet was not defeated, it ought to be known—and the sooner the better. Please locate the "certain quarter" where these traitors can be found.

The Spanish Government, says The Times-Star, coyly announces the preparation of a great expedition against the Philippines. Possibly Senator SAGASTA imagines that as soon as the Naval Strategic Board reads the yellow papers it will dispatch SAMPSON's squadron around the Horn to head off the threatened relief of Manila. It is almost beyond belief that Spain should have her own coast and shipping absolutely at the mercy of the United States for the remote chance of dislodging DEWEY. During the fifty odd days that would be spent on the voyage to the Philippines via Suez many things can happen. The Spanish squadron in the West Indies may be crushed and Havana may be taken. Within a month Manila will be taken by Admiral DEWEY and so strongly fortified and vigilantly guarded that no Spanish squadron could possibly repeat DEWEY's daring entrance into the outer harbor.

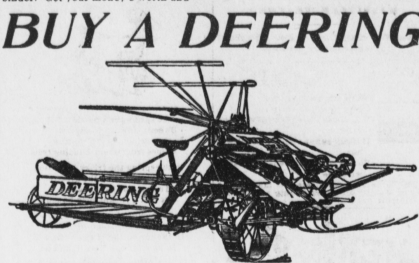

The Spaniards talk as if their Navy were powerful enough to be divided into three divisions, one to protect Cuba, one to remain at home and another to rescue the Philippines. Since DEWEY cleaned out the miscellaneous collection of Spanish warships in the Pacific, there remain on the Spanish naval list but 8 first-class armored cruisers, one battle-ship, some modern torpedo boat destroyers and the two converted Hamburg-American liners. The other ships on the list are of slight offensive power.

Any division of her naval strength would leave Spain helpless. The fact that the Government announces the dispatch of a fleet to the Philippines is fairly good evidence that she intends to concentrate her forces in the West Indies for one decisive blow.

The Largest Shipment of

BUY A DEERING
Twine!
That Ever Came to
Northern Kentucky

was received Monday, Tuesday and Wednesday, May 10th, 11th, 12th, 1898, by JOHN I. WINTER, THE PRICE FIGHTER. There was 30,000 (thirty million) feet of twine in the shipment, and it is the justly famous Deering Pure Sisal Twine. Every one wants, demands and will have no other twine after using Deering Pure Sisal Twine. None of us are too old to learn. If your neighbors are using a better twine than you are, surely you wish to know it. The demand for Deering Pure Sisal Twine has become so great that we were compelled to this year buy 30,000,000 feet to accommodate the wants of our customers. Now, listen: Every inch of this Twine is tested at a much higher tension than any binder requires in tying, while in other makes of twine only 100 feet out of every 50,000 feet is tested. Deering Pure Sisal Twine is made of extra long (drift) strands of Pure Sisal Fiber, which permits twine in the world. To make a long story short, I offer the following: Take out a lot of Deering Pure Sisal Twine, try it, and if you don't find that it will bind an acre of wheat with less pounds than any other twine made, if you don't find that it is the strongest twine made, if it is not the best twine that you ever used, you will please return it and every cent of your money will be refunded. Surely, that's fair. You are to be your own judge. Say, I can save you big money on twine. I bought my twine some time since when it was selling below the cost of production. Twine has advanced ever since. I am willing to give my friends and customers the advantage of my judicious purchase. I am selling twine today at a pound less than the market price. In buying Binder Twine, Farm Wagons, Farm Implements, Mowers, Hay Buses, Self Binders or Furniture it always pays to consult The Price Fighter.

THE DEERING is a safe line to hitch to. In buying a Self Binder one should study the matter carefully and select the best machine. Any make of binder will cut wheat; they all do that; but there is one machine that will cut wheat, rye, oats, barley, millet, bluegrass, timothy, etc. Standing up or laying down flat, long or short, heavy or thin, on level, rolling or hilly land as steep as a roof. This machine is the Deering. Condition of grain or land makes no difference to this matchless binder. Get your money's worth and

Deering Machines have roller and ball bearings both, and in that respect is the only machine of the kind made. Its draft is the lightest of any now on the market. Deering binder made the first binder. Deering binder has spent a lifetime in proving it and today offer you the result of their labors at the same price that other companies wish to charge you for experiments. Don't buy a cheap experiment, but buy a perfected Deering Binder, Mower or Hay Rake. They have made all your neighbors happy, as nearly 1,000 testimonials that we hold of residents of Mason, Bracken and Robertson distinctly state. We will be pleased to show you these testimonials. Come and see Deering's wonderful line of prize winning machines.

WEDNESDAY, June 1st, 1898,
THIS YEAR'S GRAND PICNIC and DELIVERY DAY.

Upon this day all who have this year purchased a Deering Machine are expected to spend the day in Maysville and thoroughly enjoy themselves at John I. Winter's expense. We trust that all our customers will take advantage of this day to haul out their machines, for on this day we will pay all toll coming and going and care for man and beast the entire day. There will be plenty to eat for man and beast. Your entertainment the entire day will be with our compliments and at our expense. We trust that all of our customers will take advantage of this day to haul out their machines. Get in the procession just behind the band and help us to have a good time. Oh, yes; the band will be there! Remember, the date of this year's Picnic, Delivery Day and Banquet is Wednesday, June 1st, 1898. All of this year's purchasers of Deering Machines are expected.

The reader of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages, and that is Catarrh. But what is Catarrh? It is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional cure. Hail's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one Hundred Dollars for any case that it fails to cure. Send for literature at once.
